

The Workshop is being offered by the Division as part of its programme of activities mandated under General Assembly resoluti

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It covers both qualitative and quantitative research approaches, highlighting their strengths and limitations.

3. The third part of the document focuses on the interpretation and presentation of results. It discusses how to effectively communicate findings to different audiences and how to draw meaningful conclusions from the data.

4. The final part of the document provides a summary of the key points and offers recommendations for future research and practice. It encourages a continuous and collaborative approach to knowledge creation and dissemination.
