

3. Purpose of assistance requested (please check one) a) Facilitating the participation of representatives from developing States Parties, in particular the least-developed among them and small island developing States Parties to the Agreement, in the meetings and activities of relevant regional and sub-regional fisheries management organizations and arrangements. Such assistance may include such costs as travel costs and, if appropriate, daily subsistence allowances for delegations participating in relevant regional and subregional fisheries management organizations or arrangements, including technical experts. □ b) Assisting with travel costs, and if appropriate daily subsistence allowances, associated with the participation of developing States Parties, in particular the leastdeveloped among them and small island developing States Parties to the Agreement, in relevant meetings concerning high seas fisheries of relevant global organizations, such as the United Nations Development Programme, the Food and Agriculture Organizations of the United Nations and other specialized agencies, the Global Environment facility, the Commission on Sustainable Development and other appropriate international and regional organizations and bodies. Applications for this purpose shall include details of how the meeting in question relates to implementation of the Agreement. Supporting ongoing and future negotiations to establish new regional and subregional fisheries management organizations and arrangements in areas where such bodies are not currently in place, to renegotiate founding agreements for such organizations and arrangements and to strengthen existing subregional and regional fisheries management organizations and arrangements in accordance with the Agreement. A condition for such support is that reference to implementing the Agreement is made in founding documents and/or work programmes of the regional or subregional fisheries management organizations or arrangements and in the national fisheries policies and/or management plans of States Parties. d) Building capacity for activities in key areas such as effective exercise of flag State responsibilities, monitoring, control and surveillance, data collection and scientific research relevant to straddling and highly migratory fish stocks on a national and/or regional level. e) Facilitating exchange of information and experience on the implementation of the Agreement. f) Assisting developing States Parties to the Agreement, in particular the leastdeveloped among them and small island developing States, with human resources development, technical training, and technical assistance in relation to conservation and management of straddling and highly migratory fish stocks and development of fisheries for such stocks, consistent with the duty to ensure the proper conservation ad management of such stocks. g) Assisting in meeting the costs involved in proceedings for the settlement of disputes between States Parties to the Agreement concerning the interpretation or
