Salle ' ( ) at the Palais des \*ations

+ene,a

-ac.ground \*ote for Agenda )te&)

- There is broad agreement that the -9( : should discuss the post-201 ; agenda. This however raises the question of how the forum would position itself vis-à-vis 4C0 . 0C. Delegations have begun reflecting on whether the forum should replace the Annual

The report serves as a preliminary stocktaking of how the 67 system has integrated economic, social and environmental dimensions in its work 8 and thus as a baseline for future
