

Chairperson,

I wish to congratulate you and other members of the Bureau on your election.

From the outset, I wish to state that Zambia is committed to the implementation of the

SAARC of the IODD, including the elements on health, medicine, medicine,

Chairperson,

In addition, the need to improve the efficiency with which resources are allocated and utilised, the Government, through the Ministry of Health and its co-operating partners made a shift from vertical programmes to a Sector-Wide Approach (SWAP) to ensure the effective management and utilisation of all health resources.
