

Fertility, demographic change and education planning and financing in Africa

Michael Boakye-Yiadom, Ph.D.
Director-General
Institute for Educational Planning & Administration (IEPA)
- Under the Auspices of UESCO
University of Cape Coast, Ghana

The Africa we have

- 3 Home to approximately 1.3 billion people
- 3 An estimated population growth rate of 2.7 percent – more than double that of South Asia (1.2 percent) and triple that of Latin America (0.9 percent)

3

Conclusion

To fill the gap between the Africa we want and the Africa we have, we need intentionality in developing, sustaining & prioritizing:

1. Inclusive, equitable, safe and healthy schools
2. Learning and skills for life, work and sustainable development
3. Teachers, teaching and the teaching profession
4. Digital learning & transformation
5. Financing of education
