

- **17 out of 31 African countries have developed comprehensive and stand-alone national plans/**

- **There is a long list of challenges faced by governments and they largely circle around operationalizing policies for successful implementation**
 - Insufficient financial resources
 - Insufficient political will
 - Insufficient cooperation between ministries
 - **Insufficient research and translation of research into policy formulation**
 - 9/31: data disaggregated by age/sex on critical indicator
 - 9/31: number of people by age/sex with access to safe water/electricity
 - 5/31: number of people by age/sex with health insurance
 - 4/31: disability adjusted life expectancy data
 - Insufficient human resources

How to Tackle these Challenges?
