Mr. Chairman

decolonization. It is evident that the improvement of our way of life and the sustainability of our land is a pre-requisite before a question of another referendum can be put forward. This, to me is becoming quite visible. I believe that the distinguished representative of Russia made an intervention on this point

climate change through significant coastal erosion and ocean acidification. The reality of today's climate change for Tokelau is visible. Assessment of Tokelau's climate change
