6. The British Virgin Islands welcomed the Joint Declaration of Understanding between the UK and China in January aimed at

The British Virgin Islands (BVI) are a group of 14 islands and cays in the Caribbean Sea, north of the Virgin Islands. The islands are Tortola, Anson's Bay, Necker, Soper's Hole, Virgin Gorda, North Soper's Hole, Middle Island, West Soper's Hole, East Soper's Hole, Peterborough, Jost Van Dyke, Necker Island, and The Brigs. The BVI are a British Overseas Territory and are known for their beautiful beaches, clear water, and rich marine life. The islands are also known for their history and culture, and are a popular destination for tourists and investors alike.
