Living the Legacy

Statement by H.F. Nelson Mandela, former President of South Africa, to be
[REDACTED]

2009

Dear Friends, Excellencies, Ladies and Gentlemen

[REDACTED] We regret not being able to join you today but we are particularly honoured to be

Let us always remember that the victims of these phenomena are children, men and women, in their millions. Do not allow their dignity, their human right to life, peace and prosperity be compromised because of often obscure differences
