

market, and creating the right incentive structures like prizes and challenges and crowd funding of investments.

Objectives of the joint special event

A special joint event could be held during the week the Second Committee discusses agenda item 19 on “Sustainable Development”, from 10:00 a.m. to 1:00 p.m. on Wednesday, 6 November 2013. A joint discussion could prove valuable in highlighting possible solutions to development challenges, including from the perspective of partners from the private sector, and to also provide recommendations
