Draft proposals and amendments are first required to be initiated and open for co-sponsorship on the [e-deleGATE platform](#).

Main sponsors will have access to the button to submit their draft proposals/amendments through their draft proposal on the e-Sponsorship module.

Main sponsors are then required to complete the mandatory fields in the e-submission form to submit their resolution.

The list of co-sponsors will be generated by the e-Sponsorship platform.

An automated email will be sent to the submitter within 15 minutes to confirm the submission.

Once submitted, a subsequent email from the Second Committee Secretariat will be sent to confirm that the files attached are in compliance with the submission guidelines.

Submission files that are not in compliance with the guidelines will be returned to the submitter and may lead to delay in processing of the draft resolution.
