Activities of Switzerland to support the International Humanitarian Fact-Finding Commission (IHFFC)

13. Switzerland actively promotes the revitalisation of the IHFFC. A working group met in February 2007 to discuss the options and subsequently the creation of the group of friends of the IHFFC was proposed. This group would provide an informal forum for the member states of the European Union and for other interested states in which all issues connected with the IHFFC could be discussed. The aims of the group of friends would be primarily to co-ordinate political support for the IHFFC and raise awareness of the IHFFC's work.
