so may apply the Transparency Rules to their existing investment agreements by acceding to the recently concluded convention which provides these States with one mechanism to apply the Transparency Rules to such agreements

3. Under the rubric of the Transparency Rules, my delegation notes the UNCITRAL 6 H F U H W e p u t L d W t p s taken fit to perform the function of the repository established under these Rules

3060 (V) also work on electronic commerce, insolvency law, and security interests. There are already Working Groups that are working on these same subjects. The UNCITRAL Secretariat and Commission should therefore consider carefully how to streamline to ensure that there is no duplication and no inconsistency in outcomes. In this regard, we think it is safe to assume that Working Groups would, in their work, provide for all interests, including particular the interests of developing countries and the MSMEs.

The 35th anniversary of the UN Sales Convention

8. Mr. Chairman, looking forward, my delegation has great hopes for UNCITRAL and the continuation of its good work. We also look forward to celebrating the success of the UN Sales Convention.

9. Next year marks the 35th anniversary of the Convention on Contracts for the International Sale of Goods (CISG). The CISG was a major achievement for UNCITRAL. Singapore is a party to the CISG and it has been enacted as part of our national laws. We would like to take this opportunity to announce that efforts are underway to organise a commemoration event in Singapore on 24 April 2015 to promote the adoption of the CISG. This is a major law event on our calendar for next year, and we look forward to other delegations joining us at this event.

10. Thank you, Mr. Chairman.
