Agenda Item 78...

"Report of the International Law Commission, 68th session, 2016"

Chapter IV, V, X and XI

Mr. Chairman,...

At the outset, I would like to thank you, Mr. Chairman of the International Law Commission, for his comprehensive report on the work of the 68th session of the Commission.

Our delegation also wish to thank the following members of the Commission: Mr. Eduardo Valencia Ospina on "Protection of persons in the event of disasters", Mr. Michael Wood on "Identification of customary international law", Mr. James Crawford on "Protection of the Environment in relation to armed conflicts" and Mr. Roman Kolomoisky on "State officials from foreign criminal jurisdiction".

Mr. Chairman,

We appreciate all the efforts and dedication of the relevant working groups in preparing draft conclusions and articles as well as exploring the possibilities of concluding conventions on subjects such as...
