Mr. Chairman,

In my statement I will address chapters of the ILC Report from its seventieth session envisaged for cluster three, that is Succession of States in respect of State responsibility, Protection of the environment in relation to armed conflicts and Immunity of State officials from foreign criminal jurisdiction.

Succession of States in respect of State responsibility

With regard to the topic "Succession of States in respect of State responsibility",

~~Deland would like to thank the Special Rapporteur, Mr. David Štampar, for his second report.~~

Immunity of State officials from foreign criminal jurisdiction

Mr. Chairman,

With respect to the topic "Immunity of State officials from foreign criminal jurisdiction" my delegation would like to thank the Special Rapporteur, Ms. Concepción

Escobar Hernández, for her sixth report dealing with procedural aspects of the immunity from foreign criminal jurisdiction. Regarding the issue of timing, Poland supports the view that in principle, immunity considerations should be taken into account during the whole criminal
