Mr. Chairman,

As the Secretary-General points out in his report on strengthening and coordinating United

Nations rule of law activities, "[t]he rule of law is an accelerator towards the realization of the

Development Goals, and in preventing conflict, sustaining peace and advancing the universal protection of human rights" (A/73/253, p. 2, para. 1).

The faithful implementation of international treaties is one of the key prerequisites of the global system of harmonizing international relations and of individual and collective efforts towards confronting the threats and challenges to peace, security and stability.
