are continuing to extend to the organization. I should also like to thank the European Commission for the significant contribution it has pledged for our Investment Support Program for the Least Developed Countries. I would like to thank all member states that are prioritizing the rule of law and are engaging with us in the common effort to advance it to build peace and accelerate

Thank you.

The International Development Law Organization (IDLO) enables governments and empowers people to reform laws and strengthen institutions to promote peace, justice, sustainable development and economic opportunity
