## Interactive dialogue: welcoming a new legal framework on armed conflict and the environment?

Around the adoption of the International Law Commission's principles on the Protection of the Environment in Armed Conflict (PERAC) in 2013, we invite members and experts to discuss the PERAC process, its outcome and its importance.

**Interactive dialogue:** Amb. Marja Lehto (Special Representative for PERAC), Amb. Mikko Jacobsson (former Special Representative for PERAC), Dr. Nils Farber (ILO member), facilitator, Dr Stavros Pantazis (University of Helsinki)

**Speakers:** Carl Bruch (President, Environmental Peacebuilding Association), Doug Weir (Director, Conflict and Environment Observatory)

**Sponsored by:** Danish Institute for International Studies

**Organised by:** Environmental Peacebuilding Association, IUCN-WCEL Specialist Group, Conflict and Environment Observatory, Security and Conflict Law, University of Essex, University of Helsinki
