We thank the Special Rapporteur, Mr Marcelo Vázquez Bermúdez and the
Commissioner for the progress made on this important topic.

With respect to general principles of law derived from national legal
systems, Australia commends the } u u] • •] } further work on draft
conclusion to clarify how to identify that a principle is transposable to the
international legal system

Further, Australia reiterates its support for the development of draft conclusions on the functions of general principles of law

Draft conclusion 10 provides useful clarification to States, practitioners and
