Thank you, Mr. Chairperson, for allowing us to speak on this issue at this time, and to the secretariat and the bureau for showing the flexible and inclusive nature of this committee, by allowing us to speak after our holiday yesterday.

Mr. Chair, 19.02.2016 10:00 AM Mr. Chair, 19.02.2016 10:00 AM Mr. Chair, 19.02.2016 10:00 AM

Mr. Chair,

In 2022, UNCITRAL played an important role in supporting the international community as it faces increasing economic challenges following the COVID-19 pandemic and global economic developments. We have no doubt that in 2023, UNCITRAL will continue to be an important source of legal tools to promote economic prosperity by developing appropriate responses to remove obstacles to enhanced global trade of goods.

I thank you, Mr. Chairperson.
