Mr. President,

Korea has been an unwavering and pivotal partner to UNCITRAL-RCAP. We have consistently provided support through secondment of legal experts and financial assistance.

Last year, we have co-hosted the 12th Asia-Pacific ADR Conference and the ADR Special Session, as well as the 2023 Incheon Law & Business Forum. The 13th ADR Conference and the 2025 Incheon Forum are also scheduled to be held in Korea, this year and next year respectively, and we look forward to broad attention from various stakeholders.

Mr. President,

As one of its most committed supporters, the Republic of Korea is seeking re-election to the Membership of UNCITRAL at the election to be held this year in the General Assembly, and will continue to play an important role in fulfilling UNCITRAL's mandate and achieving its goals.

I thank you. /END/
