

Template for the development of programmes in the Ten Year Framework of Programmes on SCP (the "10 YFP")

This template provides guidance for developing outlines of programmes to inform discussions and negotiations in preparation for the discussions at the Intergovernmental Preparatory Meeting (IPM) for the 19th Session of the CSD. These programme outlines should be no more than one page in length (350 words).

The programmes that will constitute the 10 YFP should strive to adopt a lifecycle approach to minimizing the negative impacts of production and consumption. They may focus on a particular policy tool (eg sustainable public procurement), in a specific sector or consumption cluster (eg building and construction, tourism, agriculture, industry), or on a cross cutting theme which contributes to the enabling policy framework for SCP (eg mainstreaming SCP in development strategies and policies, education and awareness raising for sustainable consumption). The programmes should contain the
