

STATEMENT

by

H. E. Mr. František RUŽI KA Ambassador and Permanent Representative Member of the Intergovernmental Committee on Sustainable Development Financing of the Slovak Republic to the United Nations

High-Level Dialogue on Financing for Development

7 – 8 October 2013 New York Mr. President Excellences Ladies and Gentlemen

Let me express the support of the Slovak Republic for efforts to enhance the discussions on one of the most crucial topics of the United Nations, for all Member States, but above all for every single human being living on our Planet.

I would like to align my statement with the statement of the European Unionas presented earlier.

Discussionshow to achieve <u>Millennium goals</u>by the 2015 and how to define post-2015 sustainable and development agenda including

partnerships. We have to give more support to the idea of private sector involvement in
