Adoption of the agenda

Mr. Arvids Ozols, Chair of the UNFF9 Bureau, opened the meeting at 10:00 a.m. and welcomed members of the UNFF9 Bureau and the participating staff members of the secretariat. He then proceeded with the adoption of agenda for the meeting.

1. Preparations for the ninth session of the United Nations Forum on Forests:

i. Status of Session's documentation

ii. Work Program including the organization of work for the high level segment and the launch of Forests 2011

The Bureau received a draft organization of work of the UNFF9 for the period 24th January – 4 February 2011, prepared by the secretariat. This draft was revised slightly to reflect the discussion of the Bureau during its previous meeting in Nairobi. According to the draft organization of work, all agenda items of the UNFF9 and relevant Secretary General's reports and other official documents will be introduced in the plenary sessions on 24 and 25 January 2010. During these days, two mandated panel on food, energy, and economic challenges as well as the panel on regional input will be held as well. The morning session on 26 January is allocated to Multi-Stakeholders Segment.

From the afternoon of 26 January, detailed discussions on agenda items will be followed in two parallel working groups. Working group one will consider the main theme of the session; forests for people, livelihood and poverty eradication. This group will also conduct the discussions and negotiations on a draft ministerial declaration, as well as the discussion on the IYF. Working group 2 would be responsible for agenda items on means of implementation; assessment of progress in implementation of forest instrument and achievement of global objectives on forests; regional input; and enhanced cooperation.

Based on the discussion of the Bureau in Nair

Decision: The Bureau endorsed the organization of work for the UNFF9 and its high level segment, and decided that the Chair of the UNFF9 Bureau send, as soon as possible, invitation letters to the ministers for participation in the high level segment.

iii. Initial Draft Building Blocks for Ministerial Declaration

The secretariat informed the Bureau that as of 23 November 2010 Cuba, European Union, Guatemala, Japan, Switzerland and United States have provided input for the building blocks for ministerial declaration of the UNFF9. These input sent to the Bureau Members prior to the meeting of the Bureau, and there would be possibility of receiving more input including from the G77 in the coming week. A synthesis of main points in the input by Member States was also presented to the Bureau, as well as the key points in the report of the Secretary General to the high level segment.

The Bureau thanked Member States for providing input for the building blocks, and expressed its wishes to receive more input as soon as possible. The Bureau also stressed the importance of preparation of building blocks and its distribution during the month of December and early January, so the building blocks could be shared with Member States in advance of the UNFF9.

Decision: The Bureau decided to prepare the building blocks for the ministerial declaration and share it with Member States during the second week of January 2011. The Bureau also agreed that the ministerial declaration should not be long, and as a political message should provide added value, taking into account all related developments. The Bureau also decided not to post the received input on the website, as the input was only provided to the Chair in response to his request.

iv. Accreditation of Organizations

The secretariat informed the Bureau that as of 23 November 2010 the secretariat had received requests for participation in UNFF9 from eight NGOs. Of the eight organization, 4 sought UNFF observer status for UNFF9. NGOs seeking UNFF9 observer status were the International Family Forestry Alliance (IFFA), Comite de Gestion de L'Environnement (COGESTEN) ONG de L'Environnement et du Development Durable, the Rural Area Development Programme, Tanahun, and Livelihood NGO Development Organization. As these NGOs are not ECOSOC accredited NGOs, they were advised to get in touch with the NGO Committee Secretariat or, as a short term solution, to participate in the UNFF9 as a member of an already accredited NGOs. The other 4 NGOs - Association Congolaise d'Education et de Prevention Contre des Maladies et la Drogue, Federation of Environmental and Ecological Diversity for Agricultural Revampment and Human Rights (FEEDAR &HR), Union de Selvicultores del sur de Europa/ Union of Southern European Forest Owners (USS), and Pan European Certification Council Programme for the Endorsement of Forest Certification Schemes (PEFC) Council were already accredited to ECOSOC. In addition, the Bureau was informed of the request by the Economic Community of the African States (ECCAS) (an intergovernmental organization) to participate in the UNFF9.

Decision: The Bureau agreed to recommend the ECOSOC accredited NGOs and the ECCAS to UNFF9.

v. Side events

The secretariat informed the Bureau that it had received three applications for side events by 23 November and was expecting many more by the deadline of 26 November 2010. In addition to the applications already received, 15 organizations had shown great interest in organizing a side event. The geographical distribution of interested organizations for hosting a side event was as follows: Europe 60%, North America 15%, South America 15%, Africa 5%, Asia 5%.

2. Recent and upcoming events:

i. Mexico CLIs in Sep 2010

The Bureau was briefed on the outcome of the Workshop on Forest governance, decentralization and REDD in Latin America, which was held from 31 August to 3 September 2010 in Oaxaca, Mexico. This Country Led Initiative was organized by the Governments of Switzerland and Mexico. The meeting was well attended by participants from Latin America and the Caribbean regions. Most Bureau Members were also able to attend. Key recommendations that made by the Workshop to the UNFF include supporting the inclusion of local people, including indigenous peoples and women, in decision-making, benefit sharing, and preservation of cultural/social values; and emphasizing the role of SFM in combating forest degradation and potential to enhance carbon stocks. The report of this Workshop will be submitted by the Permanent Representatives of Mexico and Switzerland to the Secretary General, as official document of UNFF9

ii. MDG Summit

The secretariat briefed the Bureau on the forest related outcome of the High Level Plenary Meeting of the General Assembly on MDG progress which was held on 22 September 2010 in New York. The outcome includes an action agenda for achieving the MDGs by 2015 while it recognizes many interlinkages among the MDGs, setting out a number of cross-cutting interventions that drive progress across all the Goals. Paragraph 77 d) of the outcome document specifically devotes to forests and member States commit themselves to accelerate progress to achieve MDG7 including through strengthening political commitment and action at all levels to effectively implement the global objectives on forest and the sustainable forest management of all types of forests in order to reduce the loss of forest cover and improve the livelihoods of those that depend on forests through the development of a comprehensive and more effective approach to financing activities, involvement of local and indigenous communities and other relevant stakeholders, promoting good governance at the national and international levels, and enhancing international cooperation to address the threats posed by illicit activities.

iii. CBD Conference of the Parties

The Bureau was also briefed on the forest related outcome of the tenth conference of the parties of the CBD. During this conference, parties to this Convention adopted 3 inter-linked goals: a new CBD Strategic Plan for the period 2011-2020 (Aichi Target), a decision on activities & indicators for the implementation of a resource mobilization strategy, and the Nagoya Protocol on Access to Genetic Resources and the Fair & Equitable Sharing of Benefits Arising from their Utilization.

CBD Strategic Plan or the “Aichi Target” meant to offer a framework on biodiversity for the UN system and includes 20 headline targets arranged under five strategic goals. Targets related to forests include; at least halving & where feasible bringing close to zero the rate of loss of natural habitats, including forests; and to restore at least 15 percent of degraded areas through conservation and restoration efforts. In addition, forests issues raised under forest biodiversity, sustainable use of biodiversity, protected areas, climate change, and strategic plan. Framework of collaboration between the UNFF & CBD secretariats was also identified as joint activities during the Conference.

iv. Forest Day 4

The secretariat briefed the Bureau on the programmes of the Forest Day4 (FD4) which will be held on 5 December 2010 during the UNFCCC COP16 in Cancun, Mexico. The FD4 will be hosted by the Government of Mexico & the CPF and includes plenary sessions, three sub-plenary sessions and nine learning events. The UNFF secretariat is the co-sponsor of one sub-plenary session on “Biodiversity: Synergies in policy and practice” as well as the Learning Event on “REDD+ & Forest Finance: The need for a 360 degree perspective on Forest Finance”.

v. Initiatives by major groups for UNFF9

The Bureau received a report on the outcome of Major Group Led Initiative. This Initiative which was undertaken by the major groups in support of the UNFF work was meant to increase major groups’ participatio

The secretariat informed the Bureau of the practice of holding a meeting during the weekend before the session and daily meeting during the UNFF sessions.

Decision: The Bureau agreed to meet on 23 January 2011, and to hold daily meeting during UNFF9.
