

According to resolution E/2000/35 that established the Forum, the participation of a wide range of forest-related stakeholders, including major groups, as identified in Agenda 21, is considered a key component of sustainable forest management (SFM) (through this resolution, accredited major group organizations with E+ and the Commission on Sustainable Development are encouraged to participate in Forum sessions'

In April 2001, the United Nations General Assembly adopted the **2001 Forest Principles** the global framework for action at all levels to sustainably manage all types of forests and trees outside forests, and to halt deforestation and forest degradation' (the **2001 Forest Principles** states that effective implementation of sustainable forest management (SFM) depends on the contributions of all relevant stakeholders, including forest owners, indigenous peoples, local communities local authorities, the private sector including small, medium and large forest-based enterprises, non-governmental organizations, women, children, youth and scientific, academic and philanthropic organizations at all levels<sup>3</sup>

In addition, Forum endeavours to work with major groups and other relevant stakeholders to identify ways to enhance their contributions to the achievement of the global targets at all levels and their interactions with the Forum and the Collaborative Partnership on Forests (CPF) including through networks, advisor groups and other mechanisms, to raise awareness, foster information exchange and dissemination and facilitate coordinated inputs<sup>6</sup>

At **UNFF-2**, member States further welcomed the initiatives undertaken by major groups in contributing to the development and implementation of the **2001 Forest Principles** and the Forum<sup>7</sup> **63+8**<sup>5</sup> (the Forum encouraged major groups and other relevant stakeholders to continue their involvement in the work of the Forum, including by elaborating proposals or work plans on how they can contribute to

---

the implementation of the **2013** and the **Forum 2013**, and to present such proposals or plans to the Forum at **2013**'

At **2013**, member States welcomed the joint workplan developed by the major groups to accelerate achievement of the global forest goals and complementary workplan developed by the children and youth major group (the member States invited major groups to inform the Forum at **2013** on progress made in implementing the workplans) (the Forum also invited major group partners to undertake initiatives to accelerate the contributions of forests to achieving the Sustainable Development Goals, 2015-2030; and to inform the Forum of progress made at **2013**'

Technical discussions during **2013** will focus on three thematic priorities: i) Forests and climate change; ii) Forests, inclusive and sustainable economic growth and employment; and iii) Forests, peaceful and inclusive societies, reduced inequalities, education, and inclusive institutions at all levels. In addition, **2013** agenda item 9 will address "Enhancing global forest policy coherence and a common understanding of sustainable forest management"

The United Nations Forum on Forests Secretariat (UNFF) will convene an expert meeting to review progress in implementation of the major groups workplans including acceleration in achieving of the global forest goals; major groups initiatives to accelerate the contributions of forests to achieving the Sustainable Development Goals 2015-2030; and discuss civil society contributions to technical discussion on the three **2013** thematic priorities'

The objective of this expert meeting is to review progress in implementation of the major groups workplans including acceleration in achieving of the global forest goals; major groups initiatives to accelerate the contributions of forests to achieving the Sustainable Development Goals 2015-2030; and to discuss civil society contribution to technical discussions on the three **2013** thematic priorities' (the expert meeting will also discuss major groups contributions to the **2013** agenda item 9 on enhancing global forest policy coherence and a common understanding of sustainable forest management'

The results of this meeting will include a final report on progress in implementation of the major groups workplans including acceleration in achieving of the global forest goals; major groups initiatives to accelerate the contributions of forests to achieving the Sustainable Development Goals 2015-2030; and civil
