THE UNITED NATIONS APPEALS TRIBUNAL

Judgment No. 2022-UNAT-1236

JUDGE DIMITRIOS RAIKOS , PRESIDING .

1. The Secretary-General has filed an application for revision of Judgment No. 2021-UNAT-1095 rendered by the United Nations Appeals Tribunal (Appeals Tribunal or UNAT) on 19 March 2021. In Judgment No. 2021-UNAT-1095, the Appj -0.006NT47.3-8((a)47(l)-(4)6.(5)]T(J)

THE UNITED

13. The Secretary-General is gravely confusing job “requirements” with job responsibilities and achievements. The NATO statement refers only to job requirements for the B5 Staff Member position and does not refer to his business-to-business contract for professional services. NATO’s business-to-business contracts are confidentially managed by Procurement,

Considerations

16. We do not propose to reiterate the conclusions of, and reasoning in, the Judgment sought to be revised. It is recent, comprehensive and self-explanatory.
17. Applications for revision of judgment are governed by Article 11 of the Statute and ArP

31. Therefore, we deny Mr. Russo-Got's request for an award of costs. We also deny his request for an award of damages as Article 9(2) of the UNAT Statute does not provide for such, nor does Article 31 of the same Rules of Procedure which, contrary to Mr. Russo-Got's assertion, plainly contemplates only procedural matters not covered in the rules of procedure and not an award of damage

Judgment

32. The application for revision is dismissed.
