ANGOLA

***Graduation deferred
to a later date***

2015

Recommended for graduation
based on income-only exception
([E/2015/33](#))

2023

Took note that the COVID-19 pandemic aggravated the overall macroeconomic situation and that GNI per capita had fallen below the graduation threshold of the income-only exception, while passing the regular income threshold. The country had not sufficiently improved in the other two LDC criteria and thus would no longer be eligible to be
