

*Seizing the transformative potentials of trade, trade facilitation and regional integration for sustainable development of LL*

1. *What ambitious but realistic goals and targets should be set for trade that would see it delivering upon its potential in achieving the Sustainable Development Goals in the LLDCs?*
2. *How can new and emerging opportunities – such as those in e-commerce and digital trade, trade in services, trade facilitation – be seized in LLDCs?*
3. *What forms of partnerships between LLDCs, transit countries and developing partners, as well as the private sector and civil society organizations, can best support improved trade performance in LLDCs?*
4. *How to better protect the interests of LLDCs in the WTO processes?*
5. *How can regional integration agreements and initiatives be better designed or leveraged to support*
