

Seizing the transformat ve potent als of trade, trade facilitat on and regional integrat on for sustainable development of LL

- 1. What ambitious but realistic goals and targets should be set for trade that would see it delivering upon its potential in achieving the Sustainable Development Goals in the LLDCs?
- 2. How can new and emerging opportunities such as those in e-commerce and digital trade, trade in services, trade facilitation be seized in LLDCs?
- 3. What forms of partnerships between LLDCs, transit countries and developing partners, as well as the private sector and civil society organizations, can best support improved trade performance in LLDCs?
- 4. How to better protect the interests of LLDCs in the WTO processes?
- 5. How can regional integration agreements and initiatives be better designed or leveraged to support
