2 December 2015 (3:00 p.m., Conference Room 12)

Chair Summary

Background

1. The Liberia

come together to complement and reinforce the peacebuilding goals of the Government of Liberia. Member States also underlined the importance of system-wide coherence of the United Nations for a successful transition in Liberia, and that the United Nations should continue its support to the Government of Liberia to fill residual gaps. Support for the justice and security sectors in line with the security transition should also continue to build national police capacity. The international community should respond to the global issue of drug cartel corruption,
