

29 September 2015

Excellencies,

According to the terms of reference outlined in the joint letter "A/69/674 -

**The Challenge of Sustaining Peace –  
Informal Meeting on 'Setting the Stage'  
For the Review of the United Nations Peacebuilding Architecture  
6 October 2015**

The [redacted] of the UN Peacebuilding Architecture [redacted]

Reference of which were set in the joint letter from the President of the General Assembly and the President of the Security Council addressed to the Secretary-General dated 15 December 2014 (A/69/674 - S/2014/911), consists of two stages. In the first, the analysis, findings and recommendations of an Advisory Group of Experts (AGE) designated by the Secretary-General, have culminated in the report entitled "The Challenge of Sustaining Peace", officially issued in the six
