

Karen Evans^{1*}, Tymon Zielinski², S. Chiba³, Carlos Garcia-Soto⁴

Handwritten musical notation on a staff, including notes, rests, and dynamic markings such as V , ff , and 201 .

The image shows a page of musical notation, likely a score for a symphony or concerto. The notation is dense and includes various musical symbols such as notes, rests, and dynamic markings. The page is numbered 201 in the lower left corner. The notation is arranged in several staves, with some measures containing complex rhythmic patterns and dynamic markings like *ff* (fortissimo) and *W* (ritardando). The overall appearance is that of a professional musical score.

Relevance of the World Ocean Assessment to international processes,

The image shows a page of musical notation, likely a score for a piece of music. The notation is dense and covers most of the page. A large, solid black vertical bar is drawn over the right side of the page, completely obscuring the musical notation in that area. The visible notation includes various notes, rests, and other musical symbols. The text "Relevance of the World Ocean Assessment to international processes," is printed across the middle of the page, partially overlapping the musical notation. The overall appearance is that of a document where the musical content has been partially redacted or obscured.
