

## II. Examples of Main gaps and challenges from CTC visits (GIS)

- "Legislation on weapons is old and its framework does not include suitable provisions aimed at monitoring issues of production, control, sale and brokerage, export and import of small arms and light weapons (SALW)". (CTC Visit)
- "One country is facing an important proliferation of firearms and most basic elements of the legislation are missing. Two countries have old legislations that do not cover the trafficking and the illicit proliferation of SALW, including..." (CTC Visit)
- "There is a need to... activity report concerning... Action" (CTC Visit)
- "Given the large... in circulation, it is important to..." (CTC Visit)
- INTERACT... (CTC Visit)
