Since July 2015, Michelle Nunn has been president and CEO of C" #E \$S", a leading humanitarian organization that fights global poverty and provides lifesaving assistance in emergencies. In the last fiscal year, C" #E worked in 100 countries and directly reached nearly 40 million people.

Nunn took the helm of C" #E in 2015 and is spearheading an ambitious strategy to support 200 million of the world's most vulnerable people to overcome poverty and social injustice by 2030. Under Nunn's leadership, C" #E has invested in innovative programs and partnerships with private corporations and other nonprofits to increase its impact. Since assuming leadership of C" #E, Nunn has set a goal of increasing C" #E's micro.saving program from 1 million participants to 10 million participants by 2020. Before joining C" #E, Nunn had built a career of civic and public service as a social entrepreneur, a nonprofit CEO, and a candidate for the US Senate. She co-founded the volunteer mobilization organization Hands On Atlanta and expanded it from a single entity to a national network of more than 50 affiliates. Nunn oversaw that group's merger with Points of Light, creating the world's largest organization dedicated to volunteer service, with affiliates across the globe engaged in more than 40,000 corporations and nonprofit organizations. Nunn served as Points of Light CEO from 2008 to 2011.
