

**UN MEDICAL DIRECTORS  
UN LED COVID-19 VACCINE PROGRAM FOR UN PERSONNEL  
COUNTRY PRIORITIZATION MODEL**

**12 FEBRUARY 2021**

**AIM**

to rely primarily on their own self-procurement effort only to a smaller number of priority countries in which the UN community would be excluded from the national vaccination plan. This document aims to elaborate on the methodology for creating such a ranking of priority countries

## 5. UN Case Rates
