## 00105 SUBJECT: Documentation for the NPT Reviewonferene

The United Nations Office for is armament Affairs presents its compliments to the Permanent Missions of the assessment to the Treaty on the Normoliferation of NuclearWeapons (NPT) to the United Nations in New York and has the homour refer to its notes verbales dated 30 March and 26 August 2020 regarding documentation and the hanges to deadlines the Tenth NPT Review Conference

The Secretariatwill continue the processing of documentation including national reports and working papelns light of therequest by the Preside designate of the Review Conference to book the dates of 48to 2012 anuary 2022 for the Review Conference, States Parties are requested to submit any document at submit any document November 2021. Further information will be contained in document NPT/Conf.2020/INF1/Rev.1, to be issued after the confirmation of the dates of the Review o

States Parties are requested to subnotion cuments in Microsoft Word format to Gunther Pointner (potner@un.og), with a copy to Rene Holbach (holba@dun.org) and Lucia Atholaty

pursuant to the guidelines of the General Assembly on the submission to fuments, in particular Assembly resolutions 52/214, 53/208 and 59/265 uments submitted by States Parties must not exceed 20 pages (10,700 words). However, ittrisingly recommended that occuments not exceed five pages (2,650 words), to reduces, facilitate translationand ensure timely issuance.

As noted in the notes verbales to States Partiellated 30 Marchand 26 August 2020, the issuance of revised versions of documents to reflect possible new developments during the period leading to threscheduled Review Conference will have financial implications.

The United Nations Office for DisarmamentAffairs avails itself of this opportunity to renew to the Prenanent Misisons of the States Parties to the NPT to the United Nations in New York the assurances of its highest connection.
