

General Assembly- Session 76  
**High-level Dialogue on Energy**

CHECK AGAINST DELIVERY

Statement by  
**Mrs. Karine Elharrar**  
**Minister of Energy and Water Resources**

United Nations  
24 September 2021

Secretary General António Guterres,

Ladies and gentlemen,

Israel's vibrant innovation ecosystem has developed processes, products and services that reduce negative environmental impacts and use energy resources more consciously and sustainably.

We are focusing and investing in research and development of energy storage
