

TOWARDS THE FIRST GLOBAL SYMPOSIUM ON WATER AND ENERGY

International cooperation to promote sustainable development

Media Center | Expo 2020 Dubai | March 29, 2022 | 5:00pm-6:30pm (Dubai time UTC+4)

This global event at Expo 2020 Dubai will provide a platform for the exchange of knowledge and experiences supporting a more sustainable world, with integrated approaches on SDG 6 (water) and SDG 7 (energy). It will also present the first Global Symposium on Sustainable Water and Energy Solutions, organized by Itaipu Binacional and the United Nations Department of Economic and Social Affairs (UNDESA). The event will take place at Itaipu on June 2022.

PROGRAM

Opening Remarks:

Mr. Luiz Felipe Carbonell,
Coordination Director at
