Five regional working groups convening to support the development of a costed national plan
: IDP proclamation due; UN well-positioned to support IDPs in the north and implementation of Somali regional strategy
: National IDP policy in place, development of pilot projects underway to support implementation of national strategy
: Implementation frameworks being developed at State level
: Updated National Strategy awaiting Cabinet endorsement
: Strong government buy-in opportunities to enhance data and strengthen local capacities
UN engagement with authorities, advanced drafting of solutions strategy
