More of the same is not good enough.

OUTCOME 2: IDPs, irrespective of their age, gender and diversity, are treated equally to other citizens and enjoy corresponding human security and dignity (people)

OUTCOME 1: A renewed social contract exists between displaced citizens and the state at national and local levels (society)

OUTCOME 3: Resilient institutions at national and local levels are equipped to prevent, manage and implement inclusive and gender-responsive solutions to address internal displacement (state and non-state actors)
