

Commission on the Status of Women

the human rights treaty bodies, having due regard for the principle of equitable geographical distribution;

- Mainstream a gender perspective, as appropriate, into national immigration and asylum policies, regulations and practices, in order to extend protection to those women whose claim for protection is based on gender-related persecution;
- Provide and strengthen assistance to all women and girls in conflict and post-conflict situations, including through non-governmental organizations, as appropriate. Refugee women and men must have equal rights in the administration and distribution of goods and services in the camps;
- Condemn and bring to an immediate end massive violations of human rights, especially in the form of genocide, and ethnic cleansing as a strategy of war, and its consequences, such as rape, including systematic rape of women in war situations;
- Encourage rehabilitation ce

international bodies, in order to achieve gender balance on the basis of equitable geographical distribution;

- Nominate and appoint more women as special representatives in conflict resolution, taking due consideration of the principle of equitable geographical distribution;
- Enhance the role of women in bilateral preventive diplomacy efforts as well as those undertaken by the United Nations in accordance with the Charter of the United Nations;
- Ensure that the participants in humanitarian missions and in peacekeeping operations, both military and civilian, are given specific gender-sensitive training;
- Develop and implement innovative strategies to increase the participation of women in peacekeeping operations and invite the Secretary-General to analyse their effectiveness in his reports on peacekeeping operations, if appropriate, based on an expert group meeting;
- Mainstream

- Strengthen ongoing efforts to train international peacekeeping forces on human rights and gender-sensitivity, provide training on codes of conduct and prevention of violence against women, ensuring that trainers incl

afflicted areas, and provide resources and assistance for landmine clearance and share technology and information so that local populations can engage effectively in the safe clearance of landmines;

- Support programmes for the rehabilitation and social integration of women victims of anti-personnel landmines, and demining and mine awareness activities;
- Encourage as appropriate the role of women in the peace movement, working towards general and complete disarmament under strict and effective international control including disarmament of all types of weapons of mass destruction;
- Work to prevent and put an end to aggression and all forms of armed conflict, thereby promoting a culture of peace.
