

TH SESSION OF THE COMMISSION ON THE STATUS OF WOMEN

Madam Chair,

Violence is natural disaster

follows.

The violence which is the direct result of the disaster violence  
to which women are subjected is a natural disaster. It is a disaster  
which is not only a result of the disaster but also a cause of it.  
It is a disaster which is not only a result of the disaster but also a cause of it.  
It is a disaster which is not only a result of the disaster but also a cause of it.  
It is a disaster which is not only a result of the disaster but also a cause of it.

support structures. Collectively, we must endeavor to address violence prevention across all aspects

action of all who respond

Silent disasters

In preventing of violence in disasters, we must not forget that nine out of ten

In addressing th

Issue.

Disaster risk reduction
