# CHALLENGES FACING WOMEN'S FUNDS

- **Demand exceeds supply**
- **The idea of Women's Funds is still quite new, many people do not know about them**
- **Limited fundraising capacity**
- **Limited grantmaking capacity**

# CHALLENGES FACING WOMEN'S FUNDS

- **Sustainability issues**
- **Operating in environments with a weak infrastructure**
- **Ambivalence towards non-profits locally**

# **RECOMMENDATIONS FOR FUTURE ACTION**

- **Significant investments in Women's Funds**
- **Investments in movement building as well as organisations and projects**
- **Developing conceptual clarity around the need for women's spaces to exist and for**

# **RECOMMENDATIONS FOR FUTURE ACTION**

- **Donors should support existing local philanthropic initiatives, and be supportive of the establishment of new ones. Please refrain from using local NGOs as grantmakers.**
- **We need a Sustainability Compact**
- **Support for the architecture and infrastructure of the Women's Movement**

**PUT YOUR MONEY WHERE  
YOUR HEART IS**
